**Thank you for choosing to serve the Columbus community in such a unique way.  
We hope this is a rewarding experience and look forward to working with you this tax season!**

## Step 1: Complete Tax Law Training

First, you'll need to brush up on your tax law. If you are very familiar with taxes, there is no need to go through additional training. If you don't have a background in tax, don't worry! There are several training options available for you:

- **Option 1: Tax Time Training Videos**
  - Our peer coalition, Cuyahoga County EITC Coalition, prepared training videos to explain tax law topics to volunteer preparers. These short videos are *outdated* (produced in 2015), but still provide an excellent understanding of each topic. Each module is about 15 min long. Use this link to view the videos: (<https://taxtimecentralohio.org/volunteer/volunteer-resources>)
- **Option 2: IRS Link & Learn Training**
  - Complete the advanced certification training modules on the IRS Link & Learn Training ([https://apps.irs.gov/app/vita/advanced\\_student.jsp?level=advanced](https://apps.irs.gov/app/vita/advanced_student.jsp?level=advanced))
  - The training modules take most volunteers 10-12 hours to complete, but can be broken up among multiple sessions. We encourage you to go at your own pace and review only the material you are unfamiliar with.
- **Option 3: In-Person Training** (Details/Registration will come via Tax Time email)
  - If this is your first time volunteering, we recommend that you attend a New Volunteer In-Person Training to supplement the online training materials/videos. During these training sessions, we will introduce the structure of VITA tax sites, tax law basics, the tax preparation software (TaxSlayer) and practice some tax law scenarios.
  - If you have volunteered before, but simply want to brush up on any tax law/software updates, you are welcome to attend our Returning Volunteer In-Person Training.

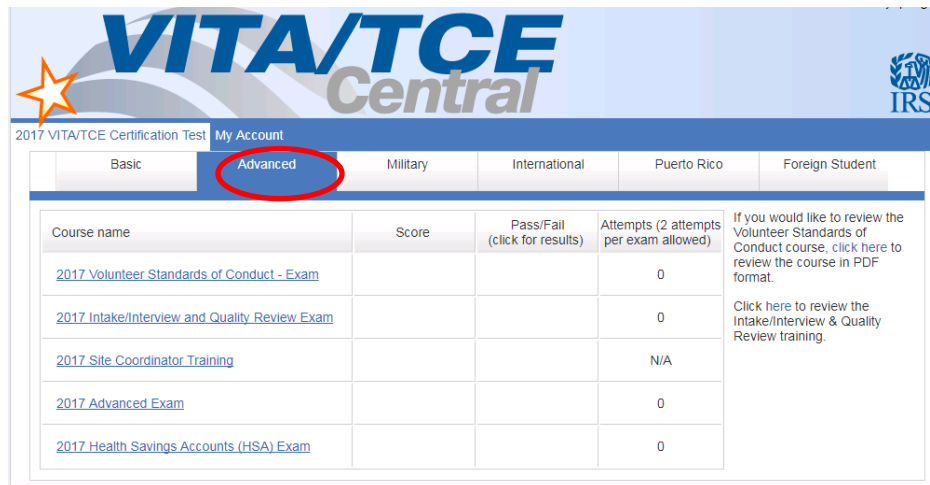

No matter what training option you choose, we recommend you carry the [IRS Publication 4012](#) with you along the way! An online version can be found here: <https://www.irs.gov/pub/irs-pdf/p4012.pdf>. If you would like this in booklet form, we have these in print for pick up. Simply, email Rachel Skwerer at [Rachel.skwerer@uwcentralohio.org](mailto:Rachel.skwerer@uwcentralohio.org) to arrange pick up date/time.

## Step 2: Complete Volunteer Certification

Once you feel comfortable with tax law, you'll need to certify as a volunteer tax preparer. The easiest way to do your certification is to complete the certification tests online from the comfort of your home.

- **Complete your certification online at home**

1. Familiarize yourself with the tax preparation software, TaxSlayer. The [TaxSlayer Practice Lab](#) is now available and provides a simulated VITA/TCE learning environment in the TaxSlayer Pro Online software and is complete with learning tools and TaxSlayer support. It can be accessed by using the following link: <https://vita.taxslayerpro.com/IRSTraining>  
Please use the generic password “**TRAINPROWEB**” to gain access to the lab.
2. Visit [Link and Learn Certification](#) to complete your certification exams.
  - If you are a new volunteer, you will need to create an account first.
  - Once you have created an account, click the “Advanced” tab to see the list of certification tests available.

The screenshot shows the VITA/TCE Central website interface. At the top, there is a navigation bar with tabs for 'Basic', 'Advanced', 'Military', 'International', 'Puerto Rico', and 'Foreign Student'. The 'Advanced' tab is highlighted with a red circle. Below the navigation bar is a table with the following columns: Course name, Score, Pass/Fail (click for results), Attempts (2 attempts per exam allowed), and a notes column. The table lists five exams: 2017 Volunteer Standards of Conduct - Exam, 2017 Intake/Interview and Quality Review Exam, 2017 Site Coordinator Training, 2017 Advanced Exam, and 2017 Health Savings Accounts (HSA) Exam. The 'Attempts' column shows 0 for the first three exams, N/A for the fourth, and 0 for the fifth. The notes column contains instructions on how to review the course in PDF format.

<a href="#">2017 Site Coordinator Training</a>			N/A	
<a href="#">2017 Advanced Exam</a>			0	
<a href="#">2017 Health Savings Accounts (HSA) Exam</a>			0	

- In order to volunteer as a tax preparer, complete the following three exams:
  - a. Volunteer Standards of Conduct Exam
  - b. Intake/Interview and Quality Review Exam
  - c. Advanced Exam
- **Complete your certification online at our [In-Person Open Lab](#):**  
We will offer an In-Person Open Lab if you are interested in taking the exam online, but in a supported environment. We will have several experienced VITA volunteers there to help get you through any tough questions or tax scenarios you are having trouble with. (Details/Registration will come via Tax Time email)

If you are new to VITA, we also recommend using the printed training materials and certification test to prepare for taking the test online. Once you do the certification tests on paper, it is easy transfer of the answers to the online test. Just keep in mind -- it is not an exact transfer so make sure to still read through the online test questions and select the correct answers. Here is the link to the print version of the certification test/retest (**IRS PUB 6744**): <https://www.irs.gov/pub/irs-pdf/f6744.pdf>. We also have print versions of these booklets available for pick up. Contact Rachel Skwerer at [Rachel.skwerer@uwcentralohio.org](mailto:Rachel.skwerer@uwcentralohio.org) to arrange pick up.

### Step 3: Volunteer!
